NOTES

Note 1 Site Plan

A site plan will need to be provided where an event requires additional car parking and structures to be erected (e.g., stage, marquee, toilets, etc) in order for Council to assess the possible impacts of the event on neighbouring properties.

Note 2 Music/Entertainment

If the music/entertainment is to be amplified, please provide a plan showing the location of the stage and direction of the speakers.

Note 3 Provision of Toilets

If there are insufficient toilets on site for the number of guests expected to attend, there will be a requirement for additional toilets to be hired. Please contact the Executive Assistant, Development & Regulatory Services, for clarification.

Note 4 Biosecurity – Keep South Australian Vines Safe

South Australia has some of the oldest winegrape vines in the world. Shoes, clothing and vehicle tyres can pick up and spread harmful pests and diseases, including phylloxera. When planning your event, please consider biosecurity risks. Please don't allow visitors to walk amongst vines. Help protect South Australia's \$2.35 billion wine industry. For more information about vineyard biosecurity visit www.vinehealth.com.au
