

INDUSTRY NOTICE

POSITIONS VACANT: NON-EXECUTIVE DIRECTORS

24 April 2024

- **Vinehealth Australia, SA government independent statutory authority**
- **Paid, Adelaide meetings, minimum two positions available, 4-6 Board meetings per year**

Do you want to help shape the future of the South Australian grape and wine industries?

Due to the upcoming conclusion of incumbent terms, Vinehealth Australia is looking for a minimum of two new non-executive directors with proven experience, knowledge and commitment to biosecurity and the wine industry to join this skills-based board.

Vinehealth Australia's role is to safeguard South Australian vineyards from pests and diseases, with a core focus on phylloxera, to ensure South Australia's grape and wine industries are profitable and productive into the future.

Board members are appointed by the Minister for up to three years, with remuneration and other entitlements determined by the South Australian Department of Premier and Cabinet.

The Board Nominations Committee is seeking to recommend to the Minister suitable candidates with demonstrated skills and experience in several of the following disciplines:

- Biosecurity policy, systems and management
- Communications/engagement strategies
- Finance
- Governance
- Government relations, policy and processes/legal
- Grape and wine business management
- IT/business information systems
- Risk management
- Strategy development and implementation

Valuable personal attributes include:

- Passion for the vision, values, and purpose of Vinehealth Australia
- Ability to think strategically
- Ability to analyse financial and operational reports
- Understanding of contemporary governance
- Appreciation of regional issues
- Collaboration and communication skills
- Commercial acumen
- Strong business relationships
- Ability to influence others

This is a wonderful opportunity to make a significant contribution to the ongoing success of the grape and wine industries in South Australia.

If you are interested in being considered, please send an application with a short cover letter, CV to board@vinehealth.com.au.

Applications close 5pm Tuesday 7 May 2024.

Please include in your application:

- An outline of any leadership roles in industry and community.
- Your place of business and geographic reach of your current role.
- Commercial, philanthropic or academic grape and wine interests and associated geographic location.
- Your primary place of residence (suburb, state).
